*Notes: The bread you bake with your hands becomes the Body of Christ. What a great privilege! What a beautiful gift you present to the Lord!  
Of course, the Prosforon/Prosfora should always be fresh – never frozen – since it is given as a precious gift to God to become His Immaculate Body.  
The Prosforon/Prosfora is/are needed at church in advance of the scheduled Liturgy.  
The Priest starts the Service of the Proskomidi before Matins, so bringing the Prosforon/Prosfora to church the evening before is a good guideline to follow.  
On Sundays, two loaves are normally required to ensure we have enough both for the Oblation and for Antidoron.  
On Weekdays a small loaf suffices:*

<sup>1</sup> One small Prosforon will be sufficient.

<sup>2</sup> For the early Morning Liturgies, the small Prosforon must be at church the previous evening.
